TechSphere Solutions - Internal Knowledge Base & Operations Manual

1. Company Overview

TechSphere Solutions is a leading provider of AI-driven automation and cloud infrastructure services. Founded in 2021, the company operates globally with headquarters in San Francisco, California, and regional offices in London and Singapore. Our primary mission is to empower enterprises with scalable artificial intelligence workflows and seamless data integration tools.

2. Work from Home & Remote Policy

- **Core Working Hours:** All full-time employees must be available on Slack and Zoom between 10:00 AM and 4:00 PM EST.
- **Stipend:** Remote employees receive a one-time work-from-home setup allowance of $500 upon joining, plus a monthly internet reimbursement of $75.
- **Equipment Provision:** The IT department provides a MacBook Pro (M2/M3) or Dell XPS 15, along with dual monitor support. Requests for additional hardware must be submitted via the Jira Service Desk.

3. Product Pricing & Subscription Plans

A. Starter Plan

- **Price:** $49 per month (billed annually) or $59 per month (billed monthly).
- **Included Features:**
    - Up to 5 user accounts.
    - 50,000 API calls per month.
    - Standard email support (response within 24 hours).
    - 10 GB cloud vector storage.

B. Enterprise Plan

- **Price:** Custom pricing starting at $499 per month.
- **Included Features:**
    - Unlimited user accounts.
    - Dedicated infrastructure with 99.99% uptime SLA.
    - 24/7 priority phone and Slack support.

    - Unlimited API calls and custom vector index connections.

4. Technical Architecture & Security Guidelines

Data Protection Standards

All customer data stored in TechSphere databases is encrypted both in transit (using TLS 1.3) and at rest (using AES-256 encryption). API keys must be rotated every 90 days.

Database Access & API Endpoints

- **Production API Endpoint:** `[https://api.techspheresolutions.com/v2/](https://api.techspheresolutions.com/v2/)`
- **Staging API Endpoint:** `[https://staging-api.techspheresolutions.com/v1/](https://staging-api.techspheresolutions.com/v1/)`
- **Rate Limits:** 1,000 requests per minute per IP address for Starter plans; unlimited for Enterprise plans.

5. Frequently Asked Questions (FAQ)

Q: How do I reset my account password?

A: Go to the login page, click "Forgot Password", and enter your registered corporate email address. A password reset link will be sent within 2 minutes. The link expires after 15 minutes.

Q: What is the procedure for taking paid annual leave (PTO)?

A: Employees receive 20 days of paid time off per year. Leave requests must be submitted through HR portal at least 5 business days in advance and approved by your direct manager.

Q: Who do I contact for urgent server downtime issues?

A: For P1/Critical incidents, page the DevOps team immediately on PagerDuty or call the emergency hotline at +1 (800) 555-0199.
